

Monkey Rounds now available on the Apple App store

Arlington, Mar 24, 2020 (Issuewire.com) - Today, Flexx, LLC is announcing the general availability of Monkey Rounds, a cartoon run, jump and race game. Follow Mr. Monkey and run, jump and race with over 20 levels of fun on his many adventures thru the jungle avoiding hurled coconuts, boulders and other obstacles. If you are successful, take a ride in his banana car but be careful of slippery bananas and other obstacles that may find their way into your path. Watch out for pink pigs and flying pelicans! An app preview video can be found [here](#).

Features include:

- Visit the jungle, mountains, beach, cave and racetrack
- Jump in a monkey car and avoid bananas and logs
- Jump over boulders, coconuts, logs and crabs
- Collect bananas to throw at your enemies

- Earn achievements and battle it out against friends
- Test your reflexes with simple one-touch controls
- Drive your monkey car like a real car by using your device as a steering wheel!
