The advertisement features a central illustration of a smiling chef with a large black mustache, wearing a white chef's hat and a white double-breasted jacket. He is holding a round pizza on a silver tray. The pizza is topped with pepperoni, mushrooms, tomatoes, and green herbs. The background is a vibrant orange with a large red circular graphic behind the chef. The text 'Pizza106' and '780-758-2777' is in the top left, 'Free Delivery on order above \$30 in 7 Km Radius.' is in the bottom left, 'Pizza106' is in the bottom center in a large, stylized font, and 'www.Pizza106.com' is at the bottom.

Edmonton, Mar 24, 2020 (Issuewire.com) - Pizza106 is one of the best places to visit if you are a pizza fan. It hasn't been long since Pizza106 has come into being. It is located in the Whitemud Crossing, Edmonton, Canada. Despite its short life span, Pizza106 has managed to create a substantial following for itself in the town of Edmonton. They serve a variety of freshly baked pizzas for both vegans and meat lovers. Every variation of pizza from Pizza106 is lip-smacking. And this is the reason why most

customers go back so often. The company makes pizzas using some old and authentic recipes whilst adding the newest toppings – vegan or meat. All that goes into making a pizza is one hundred percent fresh and handpicked with care. The use of farm-fresh ingredients and well-crafted recipes make Pizza106 one of the most appreciated [pizza restaurants in Edmonton](#).

The store is open Monday to Saturday from 11:00 am to 11:00 pm and Sundays from 3:00 pm to 10 pm. Their online website has more information about the company and the menu choices they have to offer. Online orders and payments via the website are also accepted at Pizza106.

Pizza106 is a great option for any occasion. The kitchen makes the perfect 18' pizzas for a big crowd and a smaller 10' size to treat yourself at home. From birthday parties to office events, Pizza106 has a wide menu that fits in everyone's favorites. Hosting a party is never easy. Hence, they also undertake catering orders for large or small crowds. All you have to do is give them a call, and they will further assist you with the same. Pizza106 also has incredible offers and combos you can grab at the store or online any day of the week.

The easy delivery options at [Pizza106](#) make them a very customer-friendly pizza outlet. Pizza106 offers free delivery for orders above 30\$ anywhere in a radius of 7 kilometers.
