## RECORDING ARTIST "HOPE" DEBUT ALBUM TITLE "SHOW ME" COMING SOON FROM THE Jahma Lable

The latest from the recording artist "Hope" showcases her gift for catchy energetic songs.

Las Vegas, Mar 27, 2020 (<u>Issuewire.com</u>) - Having several categories of Independent Music Awards, television appearances and interviews, combined with numerous radio interviews and hundreds of live performances with some of them on the world-famous Las Vegas Strip, the city where she was born and raised, this recording artist known as Hope is releasing her debut album titled "Show Me" after years of releasing only singles.

"Since 2012, this young and multi-talented artist has not taken a break from her passion for recording songs and her commitment of continuous energetic performances" stated Lynn Lumpkin, Vice President of JaHMa "as she continues her journey of success in the music industry and life." She added.

Hope is getting ready to release her new single (Level Up) which is an energetic and inspiring single from the album next month. The song is regarding how she has broken through the barriers that have held her as a prisoner among the shadows behind her.
