Get to know Dentist Dr. Salvatore M. Pizzino, who serves patients in Southport, Connecticut.

New York City, Mar 26, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Voted Best of the Gold Coast for Fairfield, Dr. Pizzino has been treating patients' dental needs in Fairfield County at Southport Family Dental since 1995.

"Southport Family Dental is dedicated to making you feel comfortable while providing quality dental services in our relaxed, modern, and caring environment. From routine exams, cleanings, fillings, invisible and traditional braces, to restorative work and cosmetic services, the entire team here at Southport Family Dental aims to exceed the expectations of our patients at every visit by taking the time to listen to your needs and never compromising on quality." as stated on their website.

Pertaining to his educational background, Dr. Pizzino is a graduate of the New York University College of Dentistry. He completed a chief residency at St. Barnabas Hospital, where he is now a clinical attending physician. In 2007, he co-directed dental implant seminars at NYU and has been an Invisalign Premier Provider since 2009, as well as an Invisalign guest lecturer.

In addition to being a Fellow of the Academy of General Dentistry and a Master of the Academy of General Dentistry, he is a member and fellow of the American Academy of Functional Orthodontics and the International Congress of Oral Implantology. He is also a member of the American Dental Association, serves on the CT State Dental Association Board of Peer Review, and is a former president of the Bridgeport Dental Association.

"Practicing dentistry becomes more exciting every day as more research confirms what I have thought and witnessed for many years - that oral health has links to diabetes, cardiac disease and other medical conditions - all of which I can help my patients to avoid" as stated by Dr. Pizzino.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

In 2013, Dr. Pizzino was awarded Top Dentist in General Dentistry in the Best of the Connecticut Gold Coast awards. These awards highlight the top dentists in Fairfield County, all recommended by peers in the field who know their work best. Dr. Pizzino was recommended in the General Dentistry category for his ability to help people in every discipline in dentistry, from checkups to tooth pain, emergencies, and more.

In addition to English, he speaks Spanish, Portuguese, and Italian.
