

BIOAYURVEDA Launched Headache Pain Relief Balm with Nature's Goodness

New Delhi, Apr 2, 2020 (Issuewire.com) - BIOAYURVEDA announces the launch of Ayurvedic headache relief balm, an ointment to relieve the discomfort and pain caused by a headache. This balm has a unique blend of anti-inflammatory herb extracts and natural ingredients that give quick relief from headache and anxiety.

CEO Mr. Tiwari says “Headache fast relief balm is the combination of effective herbal ingredients as per Ayurveda text to provide the remedy for the headache. All compounds included in this balm are clinically tested and safe for all age people.”

Headache has been the most common and frequent condition among the people. Today’s stressful life cause anxiety and affect almost half of the adult population. It is known as the body’s reaction to one’s emotional and mental grief. It might happen due to too much or too little sleep, depression, physical exhaustion and cry. There are many other situations in which a person may suffer headaches such as stress, muscle tension, viral infection, head injury, viral infection, sinusitis and migraines.

Over-The-Counter-Oral Medicines For Headache Kills You Gradually

People suffering from headache usually buy over-the-counter-medicine to get relief. Did you know, the frequent consumption of these medications can damage your liver or cause a problem for a kidney? Instead of help, overuse of these OTC pills can make you addicted. [Headache relief balm](#) from BIOAYURVEDA assists to avoid these types of fatal conditions and allows availing the goodness of nature to alleviate the headache pain.

CEO also mentioned, “Traditional Ayurvedic massage with headache pain relief balm stimulates blood circulation, relaxes the nervous system and relieves stress.”

Ayurveda has always been a treasure for beauty and healthcare. Its extensive natural healing process along with the art of living improved general wellness of the human body and mind. It focuses to balance the three primary doshas – Vata, Pitta and Kapha. This ancient science of life offers a unique way to connect with nature and overcome the mental and physical health issue.

Topical Organic Solution for Headache

Nurtured with nature’s virtue, this Ayurvedic headache relief balm allows you to get the benefits without suffering from any side effects. A gentle massage with this balm soothes the nerve and calms the mind. This herbal ointment has Nirgundi Oil, Mint Oil, Gandhapura Oil, Alsi Oil, Nilgiri Oil, Camphor and Dalchini Oil. All of these herb extracts have been a good source of anti-inflammatory, anti-septic anti-convulsant and analgesic properties. These compounds have been found much effective to cure the headache, stress and anxiety. Hence, the experts exclusively picked them to discover a herbal ointment that helps to alleviate headache and soothe the nervous system.

Benefits of BIOAYURVEDA Headache Relief Balm:
