

## **Michael E. Simony, DDS, a Cosmetic & Family Dentist with Simony Dental Group**

Get to know Cosmetic & Family Dentist Dr. Michael E. Simony, who serves patients in Clinton Township, Michigan.

**New York City, May 1, 2020 ([IssueWire.com](http://IssueWire.com))** - Dr. Simony is a cosmetic & family dentist who is currently serving patients' dental needs at his private dental practice Simony Dental Group in Clinton Township, Michigan. There, he and his team of professionals specialize in family dentistry, cosmetic dentistry, porcelain crowns, lumineers, teeth whitening, Invisalign, dental implants, composite bonding, root canal treatment, orthodontics, dentures, teeth cleaning, and more. They share a caring, down-to-earth manner that patients of all ages appreciate. Moreover, they are committed to ongoing dental techniques and innovations, as well as devoted to giving the best care to patients and their families.

Upon graduating from the University of Detroit Mercy School of Dentistry with his Doctor of Dental Surgery (DDS) degree in 1992, Dr. Simony was invited to return as a prosthodontic instructor for the school. He completed an internship at the Peter Dawson Center for Advanced Dental Study in Florida in 1993. Years later, in 2001, he completed the F.O.R.C.E. International Orthodontic internship in Birmingham, Michigan.

He was the first dental student ever to receive an honorary Concurrent Resolution by the Michigan House of Representatives and Senate in honor of his research and lecture presentation to health professionals across the state. His award-winning presentation topic was on the oral manifestations of AIDS.

With a strive to keep on the forefront of technology and development in his field, Dr. Simony is a certified Invisalign provider. Invisalign is a form of braces that use clear tray aligners. They are made of Invisalign's own blend of plastic and manufactured in their own facilities based on molds of one's mouth.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a cosmetic & family dentist, Dr. Simony pays the utmost attention to every detail so that his patients can be given the best quality of treatment available today.
