

Nutritional Care for Obese Malnourished Population

London, Apr 20, 2020 (Issuewire.com) - **Conference Series LLC LTD** is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, and pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and the Asia Pacific. It is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe from the Past 11 years.

Conference Series LLC Ltd takes great pleasure in inviting the scientific community across the globe to the “**29th World Congress on Nutrition and Dietetics- Webinar**” on June 22-23, 2020.

The **28th World Nutrition Congress**, hosted by **Conference Series LLC Ltd** took place on November 12-13, 2018 in Sydney, Australia. Nutrition Congress 2018 received a huge response from the Editorial Board Members of Journals as well as from eminent scientists, talented researchers, and the young student community. Researchers, Registered Dieticians, Nutritionist and students who attended from different parts of the world made the conference one of the most successful and productive events in 2018 from Conference Series LLC Ltd. The two-day program witnessed thought-provoking keynote and plenary presentations from experts in the field of Nutrition, highlighting the theme “Promulgating Improved Innovations in Nutrition”. **28th World Nutrition Congress** was inaugurated, followed by the keynote session by **Cindiawaty Josito Pudjiadi**, Medistra Hospital, Jakarta, with the title “Nutrigenomic test for personalised bodyweight management program” and **Muhammad Usman**, Former Director-General of Agricultural Research System, Government of Pakistan with the title “Nutrition is the major tool for the development of health, reduction in global poverty and hunger in the world”.

The upcoming **World Nutrition 2020** focuses on health care and nutrients, obesity, diets, prevention, malnutrition, and Food Science. This conference will also present advanced research, advanced techniques in the field of nutrition and related to Clinical Nutrition too.

The participants can exchange and share their research results covering the scientific aspect of Clinical Nutrition, Nutrition Technology, Nutraceuticals, Clinical Nursing, Trends in Nutrition, Nutrition, Obesity and Diabetes, Brain Nutrition, Public Health Nutrition, Nutrition in women and Post-menopausal Diet, Nutrition and Cancer Prevention, Diabetes Nutrition, Food Biochemistry, Nutritional Disorders and Treatment in the **World Nutrition 2020**.
