

The Renowned Artist Sinis Amplifies the Impact of Hiphop with His Latest Track 'You Said'

Experience the stunning musical project of the gifted hiphop artist Sinis in his brand new single 'You Said'. The breathtaking arrangement will mesmerize you.

New Britain, Apr 14, 2020 (Issuewire.com) - As the generation is progressing towards innovation, the artistic skills are also evolving, in order to keep the audience engaged. The gifted artist **Sinis** has always been one of those artists, who have evolved with time and gifted the audience something new to cherish. He has been consistently reinventing his approach towards music and his recent releases

are the ultimate proofs of it. Having made a great name out of his talent, the artist is on the path towards greatness with his latest single, '**You Said**'.

With the intention of enveloping the entire world within his captivating artistry, the artist has assembled all the majestic elements of the **hip hop** genre into this recent release. The bars, the instrumentation, the soundscape – each and every element is just blissful to witness. Famously known as Mr. Smiley Goatee, the artist is making people fall in love with this track. Created under **TRUSS productions umbrella**, '**You Said**' is by far one of his greatest creations, keeping mind the awesomeness of 'Already March', 'Magic Johnson', 'Flirty La', and 'Can't Remember Sh!T'.

The track is a sonic journey that none can get enough of. The to and fro motion of the vibrant soundscape and the classy backdrop is stunning. The introductory moments are a bit intricate, but with each passing moment, the canvas gets clearer and smoother. With his fascinating performance, **Sinis** makes it pretty clear that he is here to rule. Fans can listen to more from him on [Spotify](#), and find him through [Instagram](#), [Facebook](#), and [Twitter](#).
