Brajesh Kumar Singh is the Living Example for Everyone Planning to Kick-start their Career in Digital World

**Samastipur, Apr 18, 2020 ([Issuewire.com](http://Issuewire.com))** - With continuous determination, focus, and courage, anyone can achieve their dream goals. Although this saying seems so easy at first glance, following it and practicing in your every day is not easy at all. But Brajesh Kumar Singh, a tech and lifestyle blogger,

and an emerging digital marketer have proved that with a focused mindset and hard work, anyone can achieve their long-term target.

The story of Brajesh Kumar Singh is not only inspiring to all the youths but also teach them how they should manage their time and life. He comes from a small village Chakrajali in Bihar, India. But he never misses out on taking the benefit of all the little opportunities in his life.

During his childhood days, he used to help his father in selling vegetables, or in the general store in the village. So, since his early days, he is always committed to supporting his family and learning new things. And his eagerness has garnered him to learn and possess several skills and professions.

As he doesn't have a sound financial situation at home, he had to fund his college fees from his family and friends. And while studying at Anugrah Narayan College, Patna, he started exploring the digital marketing industry.

Soon he discovered his interest in this field and started blogging. And because of his continuous determination and focus, today, he is regarded as an emerging tech blogger. He is the owner of several tech and lifestyle blogs, such as [feedknock.com](http://feedknock.com) and [trickdefined.com](http://trickdefined.com). For the past few years, Brajesh Kumar Singh has gained a huge fan following from the tech fraternity. He has also bagged several honors and accolades, such as Karmaveer chakra by iCONGO and UN at IIT Delhi.

And now he is planning to launch his book titled 'Blogging-O-Pedia: A Quick Guide to Start Your Successful Career in Blogging' on Amazon. He is launching the book on the demand from his friends. With this book, he plans to reach more audiences and explore the digital book publishing industry.

So, if you are someone who wants to learn and earn through blogging, be sure to purchase his book as and when it launches on the platform. Brajesh Kumar Singh loves technology, travel, and photography. And anyone interested in this field can learn a lot from this emerging entrepreneur.
