Created by Sky Summers

**Las Vegas, Apr 17, 2020 ([IssueWire.com](http://www.IssueWire.com))** - Artist, Sky Summers has caught the attention of millions of TikTokers across the world with his “Bring it Around Challenge,” following-up with the release of his trending single “Bring It Around.” Sky just finished his promo tour while finishing his 7th release.

Known for creating infectious hooks, as well as writing and engineering his own music, Sky Summers has created and recorded music since he was 14 years old. When asked about the inspiration behind the single “*Bring It Around*,” Sky replied,

*“I created the track in my room, I was listening to beats, and I thought it would be a great idea to make a song to the SpongeBob SquarePants episode “Bring It Around Town.” I am a huge fan of SpongeBob, so the idea came to me instantly, and right then I started writing the lyrics. After I recorded the hook, I created a rough draft of the video with a concept dance; I posted it to TikTok, and the “Bring it Around” dance went viral receiving over 200M+ views.”*

**The “Bring It Around” single gained over 15,000+ streams daily on Spotify & Apple Music, making it Top Best Dance Challenge for 2020.**

*“Bring It Around has brought me a diverse set of fans that show me a lot of love and seeing all these people dance to my song is mind-blowing, I’ve been working hard to find a niche in this music industry, and I finally created something that shows my talent”*
