

Ashley Helene, Industry Leading Business Consultant and Membership Site Developer Launches Long Awaited Book

“In her exciting new book, Ashley Helene leverages experience as a consultant and membership site developer to help businesses nationwide create, automate, monetize, and scale membership sites to six-figures and beyond.”

and business consultant, has announced the release of her new book, *Membership Site Success: Create, Automate, Monetize and Scale Your Membership Site to 6 Figures and Beyond*. An informative work on the power of membership sites for long-term business success and profit generation, Ashley is empowering business owners with the tools, resources, and step-by-step guidance they need to launch six-figure membership sites and succeed online.

Bringing over a decade of experience to her clients as an industry-leader and membership site developer, Ashley helped launch, grow and scale MzeroA, the world's leading source in flight training, which has been ranked three times on the INC 5000 list of fastest-growing private sector companies. Recognizing the company's three-year sales growth of 1875% and success with a membership site business model, Ashley guides clients on this experience and advises fast-growing companies, to help them create, automate, monetize, and scale their membership site in *Membership Site Success: Create, Automate, Monetize and Scale Your Membership Site to 6 Figures and Beyond*.

"I watched Ashley build that company from scratch," remarked business consultant [Tony Teegarden](#). "Knowing the journey that she went through, and who she became because of it, Ashley is someone you want to have in your corner to help you create and develop your business. With vast experience and a track record of consulting seven- to eight-figure online businesses, she is great at leveraging online membership sites to maximize the benefits of strategic technology and marketing. Bringing those pieces together, her clients find themselves with a valuable asset for life."
