

## **Deri Lorus, Music production expert at tender age.**

He is popular for his creative music in small age.

**Chennai, May 17, 2020 ([IssueWire.com](http://IssueWire.com))** - Deri Lorus has had an interesting childhood. He was interested in Music. The idea of music programming struck him when he was 15. He is a talented Record Producer in Tamil Nadu. He is popular for his creativity & ideas.

When kids of his age were busy playing video games, he started producing music videos and single track releases. Not all kids have the passion for doing different things when others listen to their elders some have the courage to think beyond the usual and show the world their potential to rise.

Deri started his musical journey when he was 16 years old. He launched his first start-up D Flat Records in the year 2017. He hardly started to build an online community. An incredible achievement for a child who loves creating music but is largely self-taught. A music programmer since he was sixteen.

Deri Lorus has benefited society in more than one way. He has also managed to achieve what most of people only think of. Below listed are some of the accomplishments of this teenager. He has been named among the top 50 music producers in Chennai. He is one of the youngest Record Label owners at 17.

He's recently released called "Puthiya Kaariyam" and working on upcoming projects which are going to be released in 2020.
