

Get to know Cardiologist Dr. Carlos Roel Alfonso, who serves patients throughout the State of New Jersey.

Carlos Roel Alfonso, MD, FACC, FACP, a Cardiologist with Englewood Hospital and Medical Center & Clara Maass Medical Center

New York City, May 4, 2020 (IssueWire.com) - Being a board-certified and fellowship-trained

cardiologist, some of Dr. Alfonso's areas of expertise include nuclear cardiology, cardio-oncology, preventive cardiology, and women and heart disease. He is affiliated with Englewood Hospital and Medical Center & Clara Maass Medical Center.

Englewood Hospital and Medical Center is an acute care 289-bed teaching hospital in Englewood, New Jersey. The hospital is a part of Englewood Health with a mission "to provide comprehensive, state-of-the-art patient services; emphasize caring and other human values in the treatment of patients and in relations with their families, and among employees, medical staff, and community; be a center of education and research, and provide employees and medical staff with maximum opportunities to achieve their personal and professional goals."

A part of Barnabas Health, Clara Maass Medical Center is a hospital in Belleville, New Jersey. With over 700 physicians and 2,100 employees, the hospital provides advanced treatments for a wide variety of medical conditions. Its facilities include centers for advanced wound care, sleep disorders, cardiac services, cancer care, emergency services, and more.

In regards to his educational background, Dr. Alfonso earned his medical degree from the University of Santo Tomas in the Philippines in 1993. Wanting to further his training, he relocated to the United States. Once there, he completed his residency in internal medicine and his fellowship in cardiovascular disease at Seton Hall University School of Health and Medical Sciences in 1998 and 2001, respectively.

The doctor is board-certified in internal medicine, cardiovascular disease, and nuclear cardiology by the American Board of Internal Medicine, which is a physician-led, non-profit, independent evaluation organization driven by doctors who excel and strive to achieve higher standards for better care in a rapidly changing world.

Among his various accomplishments, he maintains fellowship status with the American College of Cardiology (FACC) and the American College of Physicians (FACP).

Cardiology is a branch of medicine that deals with the disorders of the heart, as well as the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiologists are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).

Recognized as an expert in his field, Dr. Alfonso is the recipient of numerous awards and honors, including: Castle Connolly Regional Top Doctor (2016-2020), Castle Connolly Top Doctors New York Metro Area (2020), Jersey's Best Magazine Top Doctors (2017-2019), and Top Doctors New York Metro Area (digital guide / 2016-2020).

In addition to English, he speaks Tagalog and Spanish.
