

Institute For Industrial Development

Institute for Industrial Development (IID), is an incubator with Government of India, Ministry of Micro, small and medium Enterprises and department of start-up, Govt. of Uttar Pradesh.

Lucknow, May 2, 2020 (Issuewire.com) - Institute for Industrial Development (IID), is an incubator with Government of India, Ministry of Micro, small and medium Enterprises and department of start-up, Govt. of Uttar Pradesh. IID is a unit of Samadhan Samiti working under Public Private Partnership with Government since the Year 1999. We are running our master incubation centre at KVIC pavilion, Rajghat New Delhi with Khadi and Village Industries Commission (KVIC) and other incubation centres at Gokhale Marg Lucknow with National Small Industries Commission (NSIC).

IID nurtures the entrepreneurs virtually from the ideation till establishing of Business Enterprise. We provide single window support to the First Generation entrepreneurs or Young Educated Youth by a step-by-step roadmap for establishing a business enterprise or becoming an industry-ready person. We also work for unemployed youth to make them industry-ready through various skill development programmes. We have unique incubation process through regular live workshops, seminars, industrial documentaries, skilling, professional & experts episodes on our portal www.iid.org.in, YouTube channel "**Entrepreneur India Tv**", and mobile applications **Entrepreneur India Live** for entrepreneurs.

• VISION

Our vision is to nurture entrepreneurs and industry-ready youth to achieve the dream of **Make in India, Skilled India and Digital India** of Government at ground level.

We educate, update and train budding youth with the latest technology, schemes, industrial processes and business planning to achieve their mission of a successful entrepreneur. We work with the help of professionals and industry experts to inculcate leadership quality in entrepreneurs for sustainable enterprise and exponential growth of the business venture.

- **MISSION**

To establish India as "Jagat Guru" again by using Global Platform of Social Media, Web and Technology. This is a mission to work locally for skilling and nurturing Indian entrepreneurs for achieving the highest business share of Global Market.

- **UDYAMI**

The Entrepreneurship Development Programme (EDP) is to provide orientation and awareness pertaining to various managerial and operational functions like finance, production, marketing, Taxation, enterprise management, banking formalities, bookkeeping, etc. the Implementing Agencies.

Khadi and Village Industries Commission (KVIC), the Nodal Agency of PMEGP and other various schemes of Ministry of Micro, Small and Medium Enterprise has implemented this online solution of EDP training with SAMADHAN for PMEGP beneficiaries and non-PMEGP beneficiaries. The online training can be taken through registering with this online e-Learning portal at the desktop or by downloading by mobile apps. The eportal can be accessed at <http://www.udyami.org.in> and downloaded by mobile apps "Udyami" from play store.

The EDP Training portal has been established with an aim to help all applicants with the training requirement under various topics related to the industrial and business domain. This will help them to become a successful entrepreneur. The objective of the EDP training program is to nurture candidates in such a way that they can achieve success in their venture or chance of failure can be minimized. The candidates will get all the training content, information and compliance details on single click basis even after completion on the required mandatory training programme.

The Entrepreneurship Development E-Learning Platform shall help disseminate EDP online course for entrepreneurship Development across India online as per course outline provided by the KVIC. The EDP training shall guide the first generation entrepreneurs and educate them with various business process & statutory compliances. This program also helps them to evaluate their performances through a pre-designed assessment test. The mandatory certificate and letter of application with Grade shall be provided after completion of training.
