

Marita Smith, DDS, a Pediatric Dentist with Smith's Little Smiles Pediatric Dentistry

Get to know Pediatric Dentist Dr. Marita Smith, who serves patients in Pomona, New York.

New York City, May 13, 2020 (Issuewire.com) - Being a caring and compassionate pediatric dentist, Dr. Smith is dedicated to providing the highest quality dental care for children from infancy through adolescence in a warm and friendly environment. She is the owner and operator of Smith's Little Smiles Pediatric Dentistry in Pomona, New York.

As a mother of two, Dr. Smith knows how important it is for a child to be comfortable and stress-free during their dental visits. It is important to her that all children receive the best possible care in a way that is fun and pleasant. This is why she places a great focus on prevention and her goal is to keep a child's smile healthy.

As a testament to her success, she is a Diplomate of the American Board of Pediatric Dentistry, whose mission is to certify pediatric dentists through a voluntary examination process that continuously validates their knowledge, skills, and experience for delivering quality patient outcomes.

Born in Russia, Dr. Smith and her family immigrated to the United States in 1992. She attended dental school at New York University, completing her Doctor of Dental Surgery degree in 2011. After that, she did her General Practice Residency at Lincoln Medical and Mental Health Center, which is a Level 1 Trauma Center. She then went on to complete her pediatric dental training at St. Barnabas Hospital, which is also a Level 1 Trauma Center. It was there that she had the privilege to treat patients at the Rose F. Kennedy Center for Children and Adults with Special Needs.

Pediatric dentistry is the branch of dentistry dealing with children from birth through adolescence. Pediatric dentists are dedicated to the oral health of children from infancy through the teen years. They have the experience and qualifications to care for a child's teeth, gums, and mouth throughout the various stages of childhood. Children begin to get their baby teeth during the first 6 months of life.

Happily married, Dr. Smith and her husband, Brad, live in Rockland County with their two boys, Dylan and Jordan. In addition to English, she speaks Spanish and Russian.
