

Muhamad Amine, MD, an Otolaryngologist with Century Ear Nose & Throat

Get to know Otolaryngologist Dr. Muhamad Amine, who serves patients in Orland Park, Illinois.

New York City, May 15, 2020 ([IssueWire.com](https://www.issuewire.com)) - Fluent in both English and Arabic, Dr. Amine is a board-certified and fellowship-trained otolaryngologist with Century Ear Nose & Throat in Orland Park, Illinois. He offers general ENT services with a specialization in rhinology and skull base surgery.

Providing the highest level of care since 1960, Century Ear Nose & Throat consists of a team of seven providers treating patients of all ages, including pediatric patients. The practice has three office locations at Little Company of Mary Hospital, Silver Cross Hospital, and the main location in Orland Park.

With years of experience in his field, Dr. Amine is also affiliated with several hospitals and medical centers in his local area, including Silver Cross Hospital in New Lenox, Illinois & Advocate Christ Medical Center in Oak Lawn, Illinois.

The doctor's acclaimed career in medicine began after he earned his medicine from the St. Louis University School of Medicine. He then went on to complete his residency in otolaryngology - head and neck surgery at Loyola University Medical Center, followed by his fellowship in the advanced sinus, rhinology, and minimally invasive endoscopic skull base surgery at Weill Cornell Medical College in New York.

Following his education, he became board-certified in otolaryngology by the American Board of Otolaryngology-Head and Neck Surgery, which serves the public by ensuring that diplomates meet the standards of training, knowledge, and professionalism through initial and continuing certification. He also earned certifications in Advanced Cardiac Life Support (ACLS) and Advanced Trauma Life Support (ATLS).

To advance his professional efforts, Dr. Amine remains a member of several professional organizations, including the American Academy of Otolaryngology-Head and Neck Surgery, the American Rhinologic Society, and the Chicago Laryngological and Otological Society.

Otolaryngology is the oldest medical specialty in the United States. Otolaryngologists, also known as ear, nose, and throat doctors, specialize in disorders of the head and neck, ranging from hearing loss to cancer.
