

## C Money Laflare has Become One of the Lead Rappers of 2020 with the New Spine-Chilling Rap Songs

The up-and-coming rapper C Money Laflare has come up with the full-album *Young Prodigy* that showcases the tussle he has won to give a better future to his family.

**Birmingham, Dec 31, 1969 ([Issuewire.com](http://Issuewire.com))** - The new hiphop artist **C Money Laflare** comes with the stories of the days that made him focused and hardworking to achieve worldwide popularity, in the new album *Young Prodigy*. It has amazing rap songs that share inspirations and messages for the young lives and talk about the thin line of right and wrong in this paradoxical society. '[Hustle](#)

[Smart](#)' is a magnificent hiphop number from the album that shows the unbearable struggles and victory through fortitude. He is a man of words, words that will shake your core and push you to take a look deeply into the faulty system and agonizing souls.

Hailing from Alabama, Birmingham, the tough rapper has seen a rough life and gained the courage to fulfill his dreams. When the success seemed approaching on the horizon, he made a new album based on the things he had been through. Music has been the easiest way to vent out loud thoughts and excruciating feelings about being vexed. '[Take Nun From Me](#)' is the multi-layered single from the album that is produced by **Rich Money Brothers** and shows the perils of the fast life. Playful words with the most expressive way of rapping are the main magic of his songs.

**C Money Laflare** wants to be the voice of the gospel and entertain people while guiding them to see the light. Pain runs deeper than the blood and his rap is dedicated to the hustles that endure the pain in order to see a better day tomorrow.
