

## New York Hip Hop Artist Chazo is Recreating a Diverse Stream of Musical Purposes with his Soundscape

The lyrical and rhythmic intensity in upcoming hip hop artist Chazo's soundscape is a beautiful and resonating arena of musical appreciation.

**Albany, Jun 3, 2020 ([IssueWire.com](https://www.issuewire.com))** - The standards of creative evolution in music, more accurately in hip-hop is being displayed in the eccentric soundscape founded by upcoming artist **Chazo**. His style is very different from what hip-hop usually represents in the backdrop of modern-day cultural proximity. He has found a captivating confluence between the groovy notes of the contemporary hip-hop scene while retaining the nostalgia and lyrical blooming of classical hip-hop. The collective experience is one enriched with the diversities of rhythmic insertions and lyrical abundance that together pave the way for an exquisite soundscape. His lyrics follow a certain thematic individuality that gets through to the audience where they can interpret them as per their own understanding.

Some of the most identifiable songs that constitute the milestone points of this [New York hip hop artist](#)'s career includes '[WorldGoRound](#)', '[Doughboy](#)', '[Reality Check](#)', and the widely popular, '[Interlude Twenty – Twelve](#)' which was released in a creative collaboration with fellow musicians C Nellz& Apo. The song has been instrumental in expanding his soundscape and take up more challenging and risky elements in his creative goals. As the owner of the publishing company, **FamilyLoyaltyOughtaWin Music**, his exposure along the length and breadth of the industry has been quite dynamic.

As an independent artist, **Chazo** has been an active songwriter and has worked with many artists from the industry. The Source has also acknowledged his contributions to hip-hop. Hailing from Harlem, New York, his advice to upcoming musicians to never give up and always put in their hard work and conviction into whatever they do. He has also planned to keep his promoting work in function during the

lockdown and wishes to climb the epitome of creative accomplishments in the days to come. Follow him on **Soundcloud**, [YouTube](#), **Apple Music**, [Spotify](#), and [Instagram](#) for an outstanding hip-hop resurrection of contemporary textures.
