

Adam W. Bryniczka, DPM, a Podiatrist with Northwest Podiatry Center

Get to know Podiatrist Dr. Adam W. Bryniczka, who serves patients throughout the State of Illinois.

New York City, Jul 3, 2020 (Issuewire.com) - Being a board-certified podiatrist, Dr. Bryniczka specializes in complex foot and ankle surgeries utilizing the latest advancements in various forms of internal and external fixation devices, including joint replacement surgeries of the foot and ankle, as well as Ilizarov external fixation surgical techniques. He is a part of the team of professionals at Northwest

Podiatry Center with offices throughout the state of Illinois, including Wheaton, Aurora, Streamwood, Niles, South Elgin, Huntley, and Dekalb.

Maintaining a tradition of excellence in podiatric care, Northwest Podiatry Center offers the latest state-of-the-art conservative and surgical care and maintain staff privileges at some of the most highly respected hospitals and outpatient surgical facilities in Northern Illinois, including Rush Copley Medical Center (Aurora); Advocate Sherman Hospital (Elgin); Provena St. Joseph Hospital (Elgin); Kishwaukee Community Hospital (DeKalb); Holy Family Medical Center (DesPlaines); Alexian Brothers Medical Center (Elk Grove); St. Alexius Medical Center (Hoffman); and Central DuPage Hospital (Winfield). Surgicenter affiliations include Valley Ambulatory Surgical Center (St. Charles); Center for Surgery (Naperville); and others.

A native of the northwest suburbs of Chicago, Dr. Bryniczka began his studies at the University of Connecticut. From there, he went on to obtain his Doctor of Podiatric Medicine (DPM) degree from Dr. William M. Scholl College of Podiatric Medicine at Rosalind Franklin University in 2006. Upon graduation, he completed three years of reconstructive foot and ankle surgical training within the residency program at Yale University Hospital. In his final year of training, he was awarded and served as the Chief Administrative Resident at Yale University Hospital/DVA Healthcare Systems from 2008-2009.

In his comprehensive training, he had the opportunity to participate in the multidisciplinary approach to treat lower-extremity limb-threatening diseases with the cooperation of vascular, orthopedic, and plastic physicians. In addition, he is highly trained in plastic surgery techniques for the creation of skin flaps to assist the coverage of diabetic and traumatic induced wounds.

A Fellow of the American College of Foot and Ankle Surgeons and a member of the Yale Podiatric Society, the doctor is board-certified in foot surgery and reconstructive rearfoot/ankle surgery by the American Board of Foot and Ankle Surgery (ABFAS). The ABFAS strives to protect and improve the health and welfare of the public by advancing the art and science of foot and ankle surgery.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremity. They can treat injuries and complications from ongoing health issues like diabetes.

In his personal life, Dr. Bryniczka resides in the western suburban area of Chicago with his wife, Eva, and daughters, Anna and Ashley.
