

Dean S. Mann, MD, an Internist with Good Samaritan Medical Center

Get to know Internist Dr. Dean S. Mann, who serves patients in West Palm Beach, Florida.

New York City, Jul 28, 2020 (IssueWire.com) - Get to know Internist Dr. Dean S. Mann, who serves patients in West Palm Beach, Florida.

Being a board-certified internist, Dr. Mann serves as the Section Chief of Internal Medicine at Good Samaritan Medical Center in West Palm Beach, Florida. Some of the conditions that he treats include respiratory disease, joint disorders, gastrointestinal conditions, fractures, bone disease & deformities, cancer, hematologic conditions, spinal cord injury, and hypertension.

With a commitment to helping patients live healthy, productive lives, Good Samaritan Medical Center delivers some of the best medical outcomes by providing one of the highest levels of quality health care that is specialized, as well as personalized. Patients will experience a compassionate touch from all five floors, 22-bay emergency department, and 333 acute care beds. They can select from a broad range of services including internal medicine, general surgery, cardiology, orthopedics, oncology, delivery, and surgical weight loss.

A 1992 graduate of the University of Miami Leonard M. Miller School of Medicine, Dr. Mann went on to complete his internship and residency in internal medicine at Jackson Memorial Hospital. He served as Chief Resident of Internal Medicine from 1995-1996.

With years of experience in his field, the doctor is board-certified in internal medicine by the American Board of Internal Medicine, a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

In order to stay up to date in his field, he remains a member of several professional organizations, including the American College of Physicians and the American Medical Association. He also holds a certification in Advanced Cardiac Life Support (ACLS), as well as remains affiliated with Jupiter Medical Center and Palm Beach Gardens Medical Center.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
