

Eugene J. Strasser, MD, a Plastic Surgeon in private practice

Get to know Plastic Surgeon Dr. Eugene J. Strasser, who serves patients in Coral Springs, Florida.

New York City, Jul 3, 2020 (Issuewire.com) - Guided by the scientific knowledge of anatomy and physiology, the magical outcomes of plastic surgery take shape under the talented hands of Dr. Strasser. He offers surgical procedures for the face, breast, and body at his private practice in Coral Springs, Florida.

Blending art and science, Dr. Strasser's work as a plastic surgeon has been an exciting and rewarding 35+ year experience. Well known to his peers and patients as a perfectionist, he truly cares for and goes the extra mile for all his patients. They are treated with respect, care, and sensitivity, all with an aim to accommodate their desires and achieve their individual goals.

A 1972 graduate of the University of Maryland School of Medicine, Dr. Strasser trained at the world-renowned R Adams Cowley Shock Trauma Center at the University of Maryland Shock Trauma & finished his training in general surgery at York Hospital in Pennsylvania. Finally, he completed his residency in plastic surgery at Albany Medical Center in New York

Continuously educating himself and his patients about the effects of plastic surgery, the doctor is board-certified in plastic surgery by the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

In addition to being a Fellow of the American College of Surgeons (FACS), he is a member of the American Society of Plastic Surgeons, the American Society of Aesthetic Plastic Surgery, the American Medical Association, the Florida Medical Association, the Florida Society of Plastic Surgeons, and the American College of Legal Medicine.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

An authority in his field, Dr. Strasser has been recognized with several awards and honors throughout his line of work, including: Compassionate Doctor Recognition (2014, 2015, 2016, 2017, 2018), On-Time Doctor Award (2014, 2015, 2016, 2017, 2018), and Patients' Choice Award (2014, 2015, 2016, 2017, 2018).
