Get to know Obstetrician-Gynecologist Dr. June Wedergren, who serves patients in Omaha, Nebraska.

**New York City, Jul 23, 2020 ([IssueWire.com](http://IssueWire.com))** - Recognized as an experienced obstetrician-gynecologist and women's health specialist, Dr. Wedergren focuses on DaVinci robotic surgery, minimally invasive surgery, in-office gynecologic procedures, and general obstetrics and gynecology. She works at Mid-City Ob-Gyn, P.C. with two offices in Omaha, Nebraska.

"As a physician, I have the benefit of helping women while incorporating science, technology, and faith. The relationships that develop through the education and empowerment of women are very rewarding. It is a privilege to be a part of my patients' lives as they experience their first GYN exam, as they become mothers and their families grow, and again as they transition through menopause and beyond. As medicine is constantly evolving, it is gratifying to provide new options for patients." as stated by the doctor.

Currently, Dr. Wedergren is involved with resident education as an Associate Clinical Professor at Creighton University and as a Consulting Physician at the University of Nebraska Medical Center. She is also on staff at both Bergan Mercy Hospital and Methodist Women's Hospital.

Among her most notable achievements, she is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The ABOG is a non-profit organization that provides board certification for practicing obstetricians and gynecologists in the United States and Canada.

A 1997 graduate of the College of Medicine at the University of Nebraska Medical Center, Dr. Wedergren went on to serve her residency in obstetrics and gynecology at the same educational venue in 2001. Following her training, she joined Mid City OB-GYN, P.C.

In addition to being a Fellow of the American College of Obstetricians and Gynecologists (FACOG), she is a member of the Metro Omaha Medical Society, the Nebraska Medical Association, and the American Medical Association.

Obstetrics and Gynecology is the medical specialty that encompasses the two subspecialties of obstetrics and gynecology. An obstetrician-gynecologist, or OB-GYN, is a healthcare professional who specializes in female reproductive health.

Outside of medicine, Dr. Wedergren treasures time spent with her husband and two children. Together with their friends and family, they enjoy athletic events, music, photography, and growing their faith.
