

Neetu Chopra, DMD, a Dentist with Norwalk Dental Care

Get to know Dentist Dr. Neetu Chopra, who serves patients in Norwalk, Connecticut.

New York City, Jul 29, 2020 ([Issuewire.com](https://www.issuewire.com)) - Named a 2020 Top Doctor, Dr. Chopra is a friendly & empathic dentist who enjoys working with patients of all ages from children to seniors at Norwalk Dental Care in Norwalk, Connecticut. She combines her expertise with a compassionate approach to make her patients feel at ease and to ensure that their experience exceeds their expectations.

Amazing with people, Dr. Chopra makes each of her patients feel comfortable, informed and in control of their treatment. She takes the time to listen to their issues and provides solutions that will meet their individual needs. She is committed to enhancing the quality of life for all of her patients through good oral health and the creation of beautiful, healthy smiles. She believes that the key to excellent dentistry is to provide skilled service backed by education, well-trained staff, and a warm, comforting, and caring environment.

Before coming to the USA and earning her Doctor of Medicine in Dentistry (DMD) degree from the University of Pittsburgh, Dr. Chopra completed her Bachelor of Dental Surgery degree in India. She has a desire to provide the best and the highest possible care to her patients, which involves a constant commitment to continuous education and bringing the changes with the new scientific developments.

A dental industry expert, she remains a member of various professional organizations, including the American Dental Association, the Academy of General Dentistry, the American Academy of Cosmetic Dentistry, and the Connecticut State Dental Association.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Excited to be part of the local Norwalk community, Dr. Chopra is a busy mother of two young daughters. In her spare time, she enjoys cooking, traveling, and spending time with family.
