Swing Thing

Oslo, Jul 31, 2020 (IssueWire.com) - The various characteristics of a diverse musical scope is being collectively assorted in a captivating frame of electro swing music. The sorcerer, producer, and remixer **Glenn Gatsby** is making sure that a balanced tribute is displayed in his soundscape that cultures dreams and perceptions. His newly released set '**Take It Easy - Electro Swing**' is a defining

amalgam of electronic dance music along with the strains of **swing house**, **swing hop**, and **neo-swing**. The course is set in an organic manner that naturally unfolds into a subjective arena of creative understanding for the audience. The whole experience of the set allows the audience to resonate with its developing rhythmic patterns in a timely loop.

The artist hails from Oslo, Norway, and is currently associated with the label **Electro Swing Thing Records**. Although young, his sense and perceptions of music are progressive that curates an individual thematic sound of its own. '[Take It Easy - Electro Swing](#)' is a confluence of vintage trails and contemporary club beats that beautifully transcribes the interrelation of musical evolution through the ages. A thematic membrane is created at the end of it all and the audience is left with nothing but a lasting creative impression.

The musical canvas of **Glenn Gatsby** is ever revolving as he continuously expands his exposure to various music. He mixed EDM with the atoning groove of swing that is brilliantly portrayed through a lapsing rhythmic pattern. Experience some of the best sounds and grooves and their cumulative progression into a boisterous musical wave by following him on [Spotify](#), [Facebook](#), [Soundcloud](#), [Instagram](#), and [Twitter](#).
