

Robert D. Blute Jr., MD, a Urologist with Associates In Urology, PC

Get to know Urologist Dr. Robert D. Blute Jr., who serves patients in Worcester, Massachusetts.

New York City, Jul 14, 2020 ([IssueWire.com](https://www.issuewire.com)) - Recognized as an esteemed urologist, Dr. Blute Jr. sees patients at his private practice, Associates In Urology, PC, located in Worcester, Massachusetts. He is also affiliated with several hospitals and medical centers in his local area, including Saint Vincent Hospital and UMass Memorial Medical Center.

Alongside his clinical role, he serves as an Assistant Professor within the Department of Urology at the University of Massachusetts Medical School. It is part of the University of Massachusetts system

Academically, Dr. Blute Jr. earned his medical degree from the Tufts University School of Medicine in 1974. He then went on to complete his residency in general surgery at Massachusetts General Hospital, followed by his residency in urology at Brigham and Women's Hospital.

Licensed to practice medicine in Massachusetts, the doctor is board-certified in urology by the American Board of Urology, whose mission is to act for the benefit of the public by establishing and maintaining standards of certification for urologists, and working with certified urologists to achieve lifelong learning to ensure the delivery of high quality, safe, and ethical urologic care. He is also a Fellow of the American College of Surgeons (FACS).

Urology, also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary-tract system and the male reproductive organs. Urologists specialize in diseases of the urinary tract and the male reproductive system. Patients may be referred to a urologist if their physician suspects they may need treatment for a condition relating to the bladder, prostate, urethra, ureters, kidneys, and adrenal glands.
