Steven L. Davis, DO, a Plastic Surgeon with Davis Cosmetic Plastic Surgery

Get to know Plastic Surgeon Dr. Steven L. Davis, who serves patients in New Jersey.

New York City, Jul 3, 2020 (Issuewire.com**)** - Dr. Davis is a renowned plastic surgeon who strives to help patients achieve their desired aesthetic results and improve their self-confidence through a wide range of customized procedures. His private practice - Davis Cosmetic Plastic Surgery - has two locations in New Jersey: Cherry Hill and Northfield, as well as one in Philadelphia, Pennsylvania.

With the goal to create an environment where patients feel comfortable and relaxed, Dr. Davis' approach allows patients to openly share their concerns about their face, breast, and body. This allows a positive physician-patient rapport so the best outcome can be achieved. His approach to patient care is also very unique and ensures he remains engaged from the earliest consult to post-operative recovery and follow-up care.

With a long-standing commitment to excellence, the doctor is board-certified in plastic surgery by the American Osteopathic Board of Surgery (AOBS). The AOBS is an organization that provides board certification to qualified Doctors of Osteopathic Medicine (DOs) who specialize in the use of surgery to aid in the diagnosis and treatment of disease.

Professionally, Dr. Davis serves as the Chief of Plastic Surgery at Jefferson Health located in Cherry Hill, Stratford, and Washington Township. He also serves as a Clinical Assistant Professor in the Department of Surgery at UMDNJ and PCOM. He is the past President of the American College of Osteopathic Surgeons – Plastic Surgery Section and currently serves on the National Residency Evaluation and Standards Committee for the training of future residents.

Aided by his expertise, he is a certified peer trainer for the PALETTE program, Allergan Aesthetics, and the Galderma Aesthetic Injector Network. In these programs, he trains both physicians and nurses with the proper latest and safest techniques focusing on Botox, fillers, Kybella, and more.

As for his academic background, Dr. Davis began his surgical training at the Philadelphia College of Osteopathic Medicine and Temple University. He completed residencies at the University of Medicine and Dentistry of New Jersey, Temple University, and Cooper Hospital. He then traveled to Beverly Hills, California to complete a fellowship in cosmetic surgery and expand his knowledge and learn cutting-edge techniques.

Voted "Top Doc" In Southern New Jersey For Plastic Surgery, he is a Fellow of the American College of Osteopathic Physicians and Surgeons & a Fellow of the American Academy of Cosmetic Surgery.

"My staff and I must stay current with innovative trends and concerns so we can deliver the highest quality care and results." as stated by Dr. Davis. He describes today's plastic surgery patient as highly motivated to achieve results that they see on all social media platforms. They range from millennials to super senior citizens.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.
