Dane's Biography

Dane is a talented up & coming DJ & Producer from Poland who is fast becoming known for his hard-hitting but hook-heavy house music. He was obsessed with music by the time he learned to walk. As a child, he was always surrounded by musical instruments, and it wasn't long before he graduated from playing around with music to seriously honing his craft.

Talented DJ & producer Dane hasn't wasted any time in delivering mind-blowing music, hitting the Beatport top-20 with his debut single 'Basskick'. In 2020 he followed up his debut with the one-two punch of 'To Me' and 'Get Money', described by I House U as "captivating" and by UFO Network as "overflowing with swagger".

Following the release of his debut, Dane hit the live scene hard with shows at festivals and clubs across Europe including ADE and Kingsday 2019, as well as a string of club and festival performances in his native Poland. Lockdown hasn't slowed him down - he's been killing it with regular livestreams with huge partners such as UFO Network and Electric Line.

The potential of this exciting new DJ and producer really is incredible, he has already been compared to acts such as Malaa and Blinders and it surely won't be long before he is taking over the scene.
