production house called 'Electro Swing Thing Records'. To connect with the former, the fans can plug into his Facebook, Twitter, and Instagram profile.

The electro-swing genre gets the best of **Wolfgang Lohr** and **Alanna Lyes** through their magical track '**Golden Twenties**'. The vintage track has a vivacious rhythm with a splendid clap of the beat. The former has given out major hit tracks with major artistes and has been an integral part of DINKS and Dorade, a house duo and an outfit of tech-house respectively. He had a humble beginning in a ska band for 15 years called the 'DaSKArtell'. He also has a music blog titled 'FDF' that has an incredible number of followers. The latter is a UK based artist working with major producers to dish out infectious tracks.

The track moves with marvelous velocity and some great electric guitar that is played with a passionate dash. The gifted music producer who is based out of Berlin has collaborated for their 4th track together with the latter who is a magnificent song-writer and a prolific singer who hails from York. To listen to the riveting numbers by him one can plug into popular music streaming apps like Spotify, Soundcloud, and YouTube.
