Istanbul, Jul 26, 2020 ([Issuewire.com](https://www.issuewire.com)) - [Alireza Kohany](#) (Persian: [آریزاکوهانی](#) [آریزاکوهانی](#)) is a successful, talented Musician (Singer and DJ) and Producer who is pursuing his dreams and achieve his goals by his latest style. He is also an Iranian Public Figure Artist; Fashion Model and Actor,

Instagram Star, Entrepreneur and Influencer; He was Born in 18 June 1993 in Tehran, Iran.

According to Alireza Kohany, someone is successful in life who builds a bridge from his own failures to victory; His journey started at a very young age, followed by producing his first ever music podcast at the age of 15, Finally Alireza decided to move to Turkey, where his career took off and he had the chance to get introduced to famous DJ's and Producers. In 2018, he finally found the sound that he was looking for so long and officially started his music style.

He takes pride in the fact that he can communicate with people on a spiritual level as soon as one of his podcast are played and that is the thing that makes him stand out in the ever saturated crowd of DJ's.

In the same years, he found large trading companies as customers in the field of digital marketing and focused all his efforts on providing them with services and learning trading techniques. Today, he has become a successful entrepreneur and young influencer with more than 700,000 followers and fans on Instagram and other social media pages.

He talks about his experiences and the ups and downs of life on the road to success:

“Never despair. The darkest point of the night is the closest point to daylight. No success is achieved without effort, so fight for your goals and know that success is near.” – Alireza Kohany

Alireza Kohany believes that human beings are born to make their dreams come true, so they should not give up until the last moments of their lives.

There is a lot of news about him or his content or his articles (business, entrepreneurship, digital influencer) on the Google News page. He has also published two books on Amazon.

He played a role in some films which are available on his page with his name (Alireza Kohany) on IMDB's website.

Also, His musics or remix is downloadable on Spotify and iTunes (Apple Music) or another music stores under his name.

Since then, Alireza Kohany has been able to rapidly increase his knowledge of the industry. Currently, Alireza Kohany coordinates events with worldwide brands and manages top tier talents from all around the world. By using his knowledge of the music and entertainment industry, Alireza Kohany has been able to build his personal brand into what it is today.

Alireza Kohany as a young influencer and successful entrepreneur takes pride in his ability to help people with the branding and marketing of their own brands. With an extreme amount of trial and error, Alireza Kohany knows exactly what it takes to help individuals become successful in their niche. By being involved in the industry himself, Alireza Kohany was able to view things from a different perspective. Knowing how hard it was to make meaningful connections, Alireza Kohany realized he could personally help his peers.

By adapting to the constant changes in society, Alireza Kohany was able to think and move differently. Alireza Kohany describes the moment he knew he was going to start his business, explaining, “For years I've been helping artists and influencers increase their market value and make solid connections... One day I said to myself I could start monetizing ten times more for the stuff I already do on a daily basis, I started to work harder, network harder and as soon as I got out of my comfort zone that's when things really started to take off”.

When discussing what it takes to start your own business, Alireza Kohany explains that you can't be

afraid to fail. He emphasizes the importance of consistency and that success will never happen overnight. Alireza Kohany encourages individuals to have a tunnel vision mindset, stating “Supporters will come and go, but nobody will invest in your craft more than yourself. Stay focused and start crossing goals off the list one by one, it takes time but practice makes perfect”.
