

Daffner & Associates, P.C. Climbs to the Top of Criminal Law Practice

New York City, Aug 28, 2020 (Issuewire.com) - One of America's top criminal defense practices, Daffner & Associates, P.C., only offers quality defenses and services to both individuals and businesses. With almost 30 years of experience handling all sorts of complex cases, Daffner & Associates has taken the lead in the law and order scene.

Typical law firms require high charges for the hourly services they give, whether simple or complicated. However, the services that some practices provide do not seem to equate to the quality of their services. What the world needs is a firm that provides top-quality services that work effectively and efficiently.

[Daffner & Associates, P.C.](#) offers exactly that. The firm has been excelling in the legal profession since 1993. This firm has represented thousands of legal matters, in both state and federal courts, and even in trial and appellate levels. As a Pittsburgh-based law firm, Daffner & Associates is a home to the top professionals in the field, all-knowing the law and — more importantly — how to get things done. They do this with "big-firm services with a small-firm approach."

Being the best at what they do, Daffner & Associates, P.C. is known for its successful efforts in resolving criminal cases, firearms issues, tax matters, and other cases. Daffner & Associates has been a place society turns to for justice, serving refined, proficient representation cost-effectively.

The firm's efforts to execute representation with the highest ethical conduct, commitment, and excellence, the Daffner & Associates firm is known even in the media, having won numerous highly complicated cases. They live up to the company's mantra, "Always on Your Side."

The law firm of Daffner & Associates, P.C. was founded by Attorney Marc Daffner. For many years, Mr. Daffner has personally handled the most complex of cases in a wide variety of jurisdictions. He is also a respected member of the defense bar, and concentrates in the areas of state and federal criminal defense and commercial litigation.

Apart from Mr. Daffner's trial practice, he serves as a part of other significant organizations. Mr. Daffner is an appointed arbitrator in the Civil Division of the Court of Common Pleas and a court-appointed representative for children in complex custody matters. Being a man of his word, Mr. Daffner is in his 4th term as an elected county committeeman. He was also a candidate as judge of the Court of Common Pleas of Allegheny County, and he served a six-year term as an administrative judge hearing police disciplinary matters as the chair of the Civil Service Commission.

The Daffner & Associates founder is a Pennsylvania "Super Lawyer," an honor reserved for the top 5% of attorneys in the state, and he has been named as a Top 100 Criminal Trial Lawyer by the National Trial Lawyers. Mr. Daffner also received the Martindale-Hubbell Client Service Award and was recognized in both 2015 and 2020 at the Pittsburgh Legal Excellence Dinner. Mr. Daffner is also the founder of the Western Pennsylvania Defense Attorneys Network and is an active member of many organizations like the Allegheny County Bar Association and the Pennsylvania Bar Association.

Mr. Daffner is an educator, instructor, and author who is currently finishing the book, *What You Need to Know About Carrying a Firearm in Pennsylvania*, scheduled for publication this year. Despite his schedule, Mr. Daffner sees the importance of spending time with his family and participating in activities as a motorcyclist, hockey coach, and martial artist.
