

David J. Farinacci, DDS, a Dentist with Farinacci Dental Care

Get to know Dentist Dr. David J. Farinacci, who serves patients in North Canton, Ohio.

New York City, Aug 20, 2020 (IssueWire.com) - With a focus on family and cosmetic dentistry, Dr. Farinacci is a gentle and caring dentist who is committed to making sure each patient's dental experience is comfortable, personalized, and affordable. Using the most advanced materials and procedures available, he practices comfortable and health-centered dentistry at Farinacci Dental Care in North Canton, Ohio.

With extensive experience in all aspects of modern dentistry, Farinacci Dental Care offers comprehensive dental care, including everything from the preventive education & routine hygiene that help to reduce dental problems, to expert solutions such as orthodontics and restorative dentistry for the dental issues that patients face.

With a strong emphasis on getting to know each of his patients, Dr. Farinacci achieves beautiful smiles in a safe and friendly environment. In addition to his technical proficiency, he is a careful listener and will explain beforehand which treatment is best for a patient's individual needs.

As for his educational background, Dr. Farinacci earned his Bachelor of Arts degree in Zoology from Kent State University, and his Doctor of Dental Surgery (DDS) degree from The Ohio State University College of Dentistry.

A nine-time recipient of the "America's Top Dentist" award, he remains a member of several professional organizations, including the International College of Dentistry, the Pierre Fauchard Academy, the American Academy of Cosmetic Dentistry, and the Christian Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
