

Hoodlife Muzik Emerges as a Hip-Hop Heartthrob with His Latest Release of Pop Fused Hip-Hop Songs

Artist HoodLife Muzik builds a strong reputation around his artistry as he releases two new tracks to portray his distinguished taste in pop fused rap tracks.

Birmingham, Aug 17, 2020 (Issuewire.com) - A new name in music that has captured all attention with his various musical aspects is **HoodLife Muzik**. The artist who has emerged from a strong musical background has come forward to present his uniqueness to the world that needs some fresh sound and melodies. The rapper/ singer with his unique perception has crafted songs that step in a

new direction to highlight his stable position in the scene. The artist is a melodic storyteller whose voice rightfully lights up the whole scenario while he brings life to the thoughtful lyrics. His songs are meaningful and what can be summarized as a flawless combination of **hip-hop** and **rap** with pop type vibe.

On his journey to compose some striking tunes, the rapper has composed a catalog full of hits, and two of the most significant ones being '**Closer To Death**' and another one titled '**MoonLight**' from his album named **God Like Chpt 1: Bigga Me along** with **Nicole Stella**. Both the tracks showcase **HoodLife Muzik**'s versatility in presentation as the hip-hop artist creates a beautiful nostalgic ambiance with his high-end vocals. Equipped with natural rhythms and mood-setting instrumentals, the songs help build a notably remarkable listening experience throughout.

Built under the label **Black Nation Global**, the song '**Closer To Death**' is entitled to classic hip-hop tempo with the artist performing a smooth rap with good engaging music. On the contrary, the other song '**MoonLight**' fuses most of the eclectic pop elements to hit the soundscape. The female voice of Nicole Stella sounds fantastic and the concoction of the duo completely engulfs the senses. If you are looking for some fresh sound plays and vibes, listen to them on [Spotify](#) and follow the artist on [Facebook](#), [Instagram](#), and [Twitter](#) for details.
