

Meet Iranian Famous Blogger, Hamid Sharbati

The Famous Blogger Hamid Sharbati

Berlin, Aug 30, 2020 ([IssueWire.com](https://www.IssueWire.com)) - Hamid Sharbati, who's popularly known as Iranian Famous Instagram Star, has been getting a lot of momentum on social media.

Born on March 10, 1995, in Tehran, he pursued his education in PC engineering in Tehran. However, despite being an engineering student, he was inclined towards the world of digital media. That saw a

change in his work and since early 2009 he has been active on social media platform Facebook.

Today, we live in a world where people have access to the content which has no limit. Keeping this in mind, Hamid wants to give his audience the content which works best according to the latest trends. With the ever-growing and ever-changing content, the digital influencer has been open to experimenting with new ideas. Talking about it he said, "Today's era is growing at a rapid pace and digitalization is reaching new heights. As an influencer, I make sure to create the content which has a universal appeal and due to cut-throat competition I need to make sure that my content stands apart from all."
