

## **Michael Kresloff, MD, an Ophthalmologist with Kresloff Eye Associates**

Get to know Ophthalmologist Dr. Michael Kresloff, who serves patients in Collingswood, New Jersey.

**New York City, Aug 5, 2020 (IssueWire.com)** - Dr. Kresloff, a board-certified and fellowship-trained ophthalmologist, is the Founder of Kresloff Eye Associates in Collingswood, New Jersey. In private practice since 2002, his primary area of focus is painless, dropless, no-stitch, laser-assisted cataract surgery. His goal is to reduce or eliminate his patients' need for glasses through the use of specialized lenses that correct for prescriptions including astigmatism.

In addition to Dr. Kresloff's expertise in laser-assisted cataract surgery, he has special expertise in other lifestyle-enhancing surgeries such as LASIK, PRK, and implantable contact lenses. He is passionate about his work and dedication to providing the highest level of clinical eye care in a compassionate, kind fashion. It is very important to him that each patient has all of their questions answered and a firm understanding of the state of health of their eyes.

A Fellow of the American Academy of Ophthalmology and a member of the American Society of Cataract and Refractive Surgeons, the doctor is board-certified in ophthalmology by the American Board of Ophthalmology (ABO). The ABO is an independent, non-profit organization responsible for certifying ophthalmologists in the United States of America.

On the subject of his academic career, Dr. Kresloff graduated with honors from Cherry Hill East High School and Lafayette College where he received an award for being an outstanding scholar-athlete. His medical degree was earned at UMDNJ New Jersey Medical School, after which he served a one-year internship at Albert Einstein Medical Center. Specialized training included a three-year residency in ophthalmology at the University of Pennsylvania's Scheie Eye Institute and a one-year surgical fellowship at New York Eye and Ear Infirmary of Mount Sinai where he focused on advanced surgical techniques in cataract, corneal, and refractive surgery.

Recognized as a Top Doc by South Jersey Magazine for his work, Dr. Kresloff is a Wills Eye Hospital-affiliated surgeon specializing in laser cataract and refractive surgery.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. They may provide routine care such as vision testing, as well as prescribe and fit eyeglasses or contact lenses. However, ophthalmologists are also surgeons. They repair traumatic injuries to the eye and perform cataract, glaucoma, and corneal surgery.

On a more personal note, Dr. Kresloff is the proud father of three young boys whose artistic masterpieces decorate his exam rooms. He was voted a Father of the Year in Suburban Family Magazine for 2012. In addition to fathering his sons, his passions include his wife, athletics, and traveling with his family. He and his family live in Moorestown, New Jersey.
