Get to know Dentist Dr. Randall H. Hiers, who serves patients in Maryland.

New York City, Aug 26, 2020 ([Issuewire.com](https://www.issuewire.com)) - Known as a leading dentist on Maryland's Eastern Shore for people who want cosmetic dentistry, Dr. Hiers works alongside Drs. Morrow and Hyland at Eastern Shore Smile Solutions. The offices are conveniently located in Cambridge and Easton, Maryland.

"As your dentists, you can rest assured that you'll receive the personalized attention you deserve. We will listen to your needs and answer all your questions. Our goal is to create for you a beautiful smile – one that provides you with the esthetics you desire, as well as the function and stability to endure. This investment in your health is meant to last a lifetime" as stated on the dental practice's website.

With expertise in the full scope of dentistry, Dr. Hiers offers dental implants, dentures, root canal therapy, TMJ & sleep apnea treatments, sedation dentistry, cosmetic dentistry, laser dentistry, and preventive dentistry, among others. Providing a more in-depth and professional approach, he recognizes the importance of preventing oral conditions, improving overall health, and cultivating lifelong relationships with each and every one of his patients.

With over four decades of experience in his field, he has trained with some of the world's most prominent cosmetic dental specialists. To date, he remains a member of the Maryland State Dental Association, which is a non-profit professional association of dentists in the state of Maryland.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean

teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
