

## ScienceLab Offers Wide Range Of all Kinds Of Scientific Lab Appliances

**Ambala, Aug 6, 2020 ([Issuewire.com](http://Issuewire.com))** - At [ScienceLab](http://ScienceLab) we have spent a lifetime developing the most extensive range of laboratory equipment and services available not just in India but internationally.

ScienceLab is a leading Science Lab Equipment, Biology Lab Equipment, and Laboratory Equipment Supplier offering a vital range of all kinds of scientific lab appliances. We are the most prominent manufacturer of all varieties of High School and Middle School Lab Scientific Instruments and Equipment.

Clients, who are looking for High School Science Experiment Kits, they are welcome to contact us. Being the best Science Lab Equipment Manufacturer in Ambala, India; we provide all the necessary apparatus and high school science kits for different experiments.

We are the best Lab Apparatus Manufacturer across India and have successfully supplied executed many projects in association with our dealers located across 110 countries.

Laboratory Equipment Manufacturer- Our very skilled and qualified management has accomplished the need to forge ahead of best supplies to lab customers. We bring you a global range of Science Lab Supplies including:

- **PHYSICS / PHYSICAL SCIENCE:**

- Spring Scales, Pulleys, Balances, equipment for teaching Measurement, Density, Specific

Gravity, Heat, Liquids and Pressure, Gas Law, Mechanics, Forces, Friction, Thermometers, Light and Optics, Prisms, Lenses, Magnifiers, Sound and Waves, Tuning Forks, Magnetism, Magnets, Compasses, Wimshurst Machine, Van de Graff Generator, Electricity, Electromagnetism.

- **LAB EQUIPMENT AND SUPPLIES:**

Filter Paper, Support Stands, Extension Clamps, Clamp Holders, Burette Clamps / Holder, Bunsen Burners, Magnetic Stirrers, Hot Plates, Heating Mantles, Rubber Stoppers, Cork Wooden Stoppers, Test Tube Racks, Test Tube Brushes, Pi-Pumps, Pipette Fillers, Digital Micro Variable Pipettes.

- **GLASSWARE:**

Burettes, Pipettes, Condensers, Distillation Distilling Apparatus, Separatory Funnels, Petri Dishes, Volumetric Flasks, Flat Bottom Florence Flasks, Round Bottom Flasks, Erlenmeyer Flasks, Conical Filtering Flasks, Beakers, Funnels, Test Tubes, Graduated Cylinders, Dropping Bottle, Burettes, Pipettes and more.

- **PLASTIC WARE:**

Beakers, Jugs, Burette Clamps, Wash Bottles, Graduated Cylinders, Dropping Bottles, Funnels Test Tube Racks and more.

- **PORCELAIN WARE:**

Crucibles, Evaporating Dishes, Crystallizing Dishes, Mortar and Pestle, Spot Plate and more

- **BIOLOGY LIFE SCIENCE:**

Agar, Compound Stereo Binocular Microscopes, Prepared Microscope Slides, Plain Microscope Slides, Cover Slips, Blood Cell Counters, Hand Tally Counter. Slide Boxes, Dissection Instruments, Dissecting Trays, Sphygmomanometer, Blood Pressure Apparatus, Human Skeleton Model, Human Anatomy Models, Cell Division Models, Animal Cell, Plant Cell, and more.

We cater to different range of Science Education and Science Lab Supplies including below:-

Laboratory Instruments Manufacturers:- We are a best and most reliable manufacturer and exporter of Laboratory Instruments in Ambala India and have the expertise of manufacturing the products as per the client specifications as per the Tender Requirements in various projects and this customization helps in securing and executing the Educational Science Lab Supplies projects successfully and within the scheduled time. We follow the practice of questionnaires and feedback/recommendations of customers regarding their purchase of our products and their performance. This assists us in retaining our clientele and adding new names to it, on a regular basis.

Scientific Laboratory Instruments Manufacturer:- We understand that making clients feel valued and respected is very important for us to sustain our credibility as the Scientific Laboratory Instruments manufacturer in the industry. In line with this, we consider our customers as our pride and hence we guarantee to provide only the top grade Blood Bank Refrigerator, Environmental Chamber, Humidity Chamber, BOD Incubator, and alike products to clients making us the top Laboratory Equipment Manufacturer in Ambala, India.

STEM Equipment Manufacturer:- We cater to school children; dealers who need to be ingrained with the basic concepts of STEM. Therefore, it is our aim to lessen the gap between contextual and rote based learning, and replace it with a practical approach, which will equip children with the skills and knowledge needed to get lucrative opportunities in their fields of interest. It is our belief that integrating STEM in the

education sector results in developing curiosity, inquisitiveness, critical-thinking, problem-solving capacities, imagination, questioning and exploration skills among learners. This leads to innovation, designing and making, testing and modifying solutions of complex problems. Please feel free to contact us for our STEM based Mobile Science Kits

School Science Lab Instruments Manufacturer & Exporter:- **Are you stocking a new physics or chemistry lab from scratch?** Do you have a lab or classroom that's woefully empty of science projects, equipment, and fun? Well you've come to the right place! ScienceLab is a prominent manufacturers and exporters of School Science Supplies, School Educational Scientific Goods, School Educational Products, Educational Equipments Supply, School Educational Products Exporters, School Science Lab Supplies, School Scientific Laboratory Instruments, Manufacturers of Electronics Education Aids, Kits, Models, Trainers, School Science Experiment Kits, School Science Project Kits, School Human Anatomy Model, School Science Lab, School Science Lab Equipments Manufacturers and Suppliers, School Educational Lab Equipments manufacturers and Suppliers in India, School Educational lab Equipments, School Lab Equipments manufacturers and Suppliers in India and Educational Laboratory Equipment Manufacturers India; Educational Laboratory Instruments Manufacturers. School educational lab equipment manufacturer Ambala Educational Equipment Manufacturers India; School Science Lab Equipment Manufacturers India; School, Scientific Labs Equipments Manufacturer India:- Scientific Instruments Manufacturers India Ambala; School Science Equipments Manufacturer:- School Science Lab Equipments Suppliers Ambala; High School Science Lab Equipments Suppliers Ambala

Laboratory Glassware Manufacturer India:- We are one of the largest fabricator of borosilicate laboratory glassware in India with an unparalleled reputation for the manufacture of quality products. . Our Laboratory glassware equipment is made of the highest quality borosilicate and soda-lime glass to allow the foremost real results with precision and accuracy Our products rigorously meet widely accepted Indian, British, ASTM, and DIN standards. We have been in the field for over 40 years and are considered as the most recommended **Laboratory Glassware Manufacturers in India**
