**New York City, Aug 18, 2020 ([IssueWire.com](https://www.issuewire.com))** - With her extensive background in innovative women's health solutions, board-certified obstetrician-gynecologist, Dr. O'Hara, can treat chronic gynecological conditions, infertility issues, and menopausal disorders. She even offers quality prenatal care at Premier Women's Care of Southwest Florida in Lehigh Acres.

The team of board-certified obstetricians-gynecologists at Premier Women's Care of Southwest Florida, located in Fort Myers, Cape Coral, and Lehigh Acres, are dedicated to providing women of all ages with the high-quality medical and surgical care they deserve. The highly talented team of physicians were the first to provide MonaLisa Touch® to women in Southwest Florida. Services available include yearly exams, family planning, obstetrics care, midwifery services, and comprehensive gynecological care using state-of-the-art technology — such as daVinci® robotics and NovaSure® endometrial ablation.

Patients turn to Dr. O'Hara for help with urinary disorders, cervical polyps, sexually transmitted diseases (STDs), and ovarian cysts, to name a few conditions. She also offers thorough preventive care and well-woman exams for patients of all ages.

For patients trying to become pregnant, she provides comprehensive preconception and prenatal management. She even cares for women who have high-risk pregnancies, including multiple gestation cases.

After earning her undergraduate degree from Tulane University in New Orleans, Dr. O'Hara was accepted into medical school. She earned her medical degree from the University of Miami Miller School of Medicine, after which she went on to complete her residency in obstetrics and gynecology at the University of South Florida in Tampa where she was the administrative chief.

To ensure that she is always offering the latest treatments and solutions available in the field of obstetrics and gynecology, she has advanced credentials. She is a Fellow of the American College of Obstetricians and Gynecologists (ACOG), as well as a member of the American Medical Association and the Florida Medical Association.

Furthermore, Dr. O'Hara is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The ABOG is a non-profit organization that provides board certification for practicing obstetricians and gynecologists in the United States and Canada.

Obstetrics and Gynecology is the medical specialty that encompasses the two subspecialties of obstetrics and gynecology. An obstetrician-gynecologist, or OB-GYN, is a healthcare professional who specializes in female reproductive health.
