

# Virginia Native Dr. Angela Butts Chester Honored with the Shining Star Award by Preach the Word Worldwide Network TV

5th Annual Shining Star Award Gala hosted by Preach the Word Worldwide Network TV Awards Christian Morning Talk Show Daily Spark TV

**Hampton, Aug 19, 2020 ([IssueWire.com](http://www.issuewire.com))** - Dr. Angela Butts Chester, granddaughter of the late William Davis Butts, a renowned Virginia attorney, will receive the Shining Star Award on its fifth year set on Friday, August 28th, 2020. The Shining Star Award is presented every year by Preach the Word Worldwide Network TV (<https://www.preachthewordnetworktv.com>) an international Christian TV network based in Metro Atlanta, that reaches 50 million homes around the world.

Dr. Angela Butts Chester (<http://www.drangelachester.com>) is being honored for her contributions to the Gospel via her weekly broadcast of Daily Spark TV, where she “enlightens, inspires, and empowers you to be your best self” while honoring faith. Guests from around the world include authors, ministry leaders, motivational speakers, educators, health and wellness coaches, just to name a few, all who believe they are purposed to share their faith through their work. Dr. Chester's leadership extends into the radio community through her weekday national morning talk radio show "Daily Spark with Dr. Angela"; where it all began in Atlanta.

Raised in a civic-minded family, Dr. Chester is a Pastoral Counselor in private practice. A breast cancer survivor, and international professional speaker, she has built a career spanning more than 20 years and thousands of people counseled. She has built a reputation as a thought leader on issues related to motivation and Christian empowerment.

A former Associate Pastor, in Long Beach, CA, Dr. Chester believes that faith is more than just something you read about but something that you do; an active voice in the world.
