After working with international producer, Ace A Spade move on to his new Single "Satellite High"

International Reggae/Dancehall Artist Ace A Spade, causes ruckus with his new Single "Satellite High"

Saint Catherine, Sep 30, 2020 (Issuewire.com) - International Dancehall Reggae artist Ace A Spade, Was born and raised in Spanish Town, St. Catherine Jamaica. Ace A Spade has been doing music for many years. He recently did a project with international producers, Troyton Music. That project was called "LEGENDS". LEGENDS, made it to to the UK to 100 iTunes charts. Troyton Music then moved on to produce his latest project with London Artist, Stefflon Don.

Ace A Spade's latest release was produced by American producer, Smoove Music. This single was inspired by his younger brother, who is a big fan of marijuana. Ace A Spade younger brother, wished to join all movements that get to push the legalization of marijuana. In Ace A Spade music video, it takes you on a journey, of the after-effects of smoking marijuana. It depicts all the silly things that marijuana smokers do, and how the munches come along.
