When is your next book coming?

I'm working on it, It should be published on Diwali, It's hard to decide what to write or what to not I don't want to miss anything.

So we added a genuine question, What kind of book you are working on?

I'm working on a digital marketing related book but it will be different than my other books, I know what you're thinking last books were also on digital marketing so how that can be different but for now I can tell you the only the title of my book, it will be "One upon a Digital Time".

So fans can expect an upcoming book till this Diwali. ;)
