ENTRY DEADLINE SEPT. 11

Connectingthelines.com

Columbus, Sep 12, 2020 (Issuewire.com) - Connecting the Lines is changing the way majorette dance competitions are done. “Our goal is to create as many opportunities for as many dancers as we can,” says MzB, founder of Connecting the Lines Created in 2013, Connecting the Lines is the world’s #1 Hip Hop Majorette Dance Competition. The only majorette competition platform where dancers can compete LIVE with professional judges, and win cash!

“We thought that it would be amazing if we could host a competition that lives online, where dancers could compete from anywhere in the world. COVID has changed the way we connect with our dancers. We had to come up with a way to keep the energy going and allow teams to compete safely” says MzB

It is an online platform for dancers to compete, gain valuable, constructive feedback, and receive recognition. The forum also gives dancers “a chance to dance” – during such a difficult time. A new event each month for the rest of 2020 will allow dancers to gain access to professional input and exposure to the world, and cash money in their pockets!

“We have been running dance competitions and events for over 7 years. We are respected in the industry for giving opportunities and recognition to all dancers in an encouraging, efficient atmosphere.”

We were disappointed to have to cancel our entire summer tour, but with the technology of today; we are excited to be able to provide you with a professional, unique, and FUN event!” adds MzB

Some of the categories offered at Connecting the Lines Virtual Dance Competition are Lyrical/Praise, Majorette & Hip Hop.

“Dancers ages 5-18 can select a category from the drop-down list on the website when they are registering,” says Connecting the Lines Competition representative.
