

Gabe Lustman Has Been Staying “True” To His Fans.

Gabe Lustman has become an international and national sensation. Let’s dive into some of his current ventures and accolades.

New Orleans, Sep 25, 2020 (Issuewire.com) - Gabe Lustman is an American singer, songwriter, and actor who hails from New Orleans, LA. At a very young age, GABE was involved in several regional talent-shows where we wowed the crowds with a stellar vocal delivery. Coined as a musical genius, GABE has been privy to perform on MTV's Top Pop Group, The Late Late Show with Craig Ferguson on CBS. From there, this fantastic ride brought about collaborations with J.R. Rotem (Beluga Heights), Kay Gee (Divine Mill) and at this point, it was decided that GABE would be a solo artist. This is when the persona of GABE began to take off.

As a solo artist, GABE had gained a wide audience of listeners, spectators, and attendees to attend his live shows and global appeal worldwide. His sound brings you back to the nostalgic 90s and early 2000s R&B/ Pop vibe. This prolific artist has been on tour with Chris Brown, Trey Songz, Kirko Bangz and Cherish.

GABE released a mixtape, "The Take Off" (2010), shortly after following up with "The State Of Emergency" (2011) accumulating over 100,000 downloads in the first month of release. In 2012 GABE released "The Memoirs" (2012), and followed up "King Of Thrones" (2014) the single "Fever" which was placed on NBC "Grimm". GABE staying consistent with his releases soon after released his next Project "My Ex"(2017) which upon release peaked #1 in Germany and #5 in the UK topping the R&B iTunes charts internationally.

GABE's most recent single is titled "[True](#)" after peaking on iTunes at #2 in Norway, #3 in Belgium and #28 in Turkey has the blogs talking and is picking up traction on Atlanta radio.

GABE'S most recent body of work is titled "Aries" which being his zodiac sign depicts a glimpse into his life and what its like "Being an Aries" Aries is currently circulating blogs on the web and all major digital platforms. GABE has also been seen recently on the popular TV shows "The Carbonaro Effect" (Tru TV) and "Blind Date" (Bravo TV).

In conclusion, be sure you tune into his latest record titled "[True](#)". This record captures a very mature, grown, and melodic vibe. As mentioned, this song has hit the radio stations already and is traveling across the globe. His video is now on YouTube and has already surpassed 60,000 views. You can also check out this hit new single on all streaming platforms such as [Spotify](#).
