New York City, Sep 28, 2020 ([Issuewire.com](http://www.Issuewire.com)) - Dr. Romasan is an exceptional pediatric dentist

serving as the owner & operator of Smiley Kidz Dental Care in Wilton Manors, Florida. Having always enjoyed working with children and adolescents, she looks to provide them with a positive dental experience and healthy smiles for a lifetime.

“Skill and compassion go hand in hand when providing exceptional patient care. As a pediatric dental professional, I stay up to date on the latest advancements in dentistry in order to provide the most current treatment options for my little patients. As a doctor, I recognize that my patients are unique individuals and their parents have placed a great deal of trust in me and my team. That is just one reason why I value each and every patient relationship” as stated by Dr. Romasan. She focuses on accommodating patients to the best of her ability, treating each as if they were one of her own family.

Among her professional dental affiliations, she is a member of the American Dental Association, the American Academy of Pediatric Dentistry, the Florida Dental Association, the Atlantic Coast Dental Association, and the Broward County Dental Association.

Back in 1997, Dr. Romasan graduated with her Doctor of Dental Surgery degree from the New York University College of Dentistry with two extra years of specialized training in pediatrics. She completed her specialty training at New York University and Bellevue Hospital in New York City where she was Chief Resident. She was also Clinical Assistant Professor at New York University for two years,

Following a private practice in Manhattan, she moved to South Florida in 1999. Dr. Romasan then opened her own dental practice in 2001 in Wilton Manors and has remained open throughout the years.

Pediatric dentistry is the branch of dentistry dealing with children from birth through adolescence. Pediatric dentists have the experience and qualifications to care for a child’s teeth, gums, and mouth throughout the various stages of childhood.

Away from the office, Dr. Romasan enjoys spending time with her twins.
