

Sucheta Bhattacharjee, popular Indian music teacher, launches online music classes

Sucheta Bhattacharjee, famed Indian music teacher launches online classes for students in India and worldwide. Devoted solely to the pursuit of music, the committed musician has thousands of students across the globe

Mumbai, Sep 24, 2020 (Issuewire.com) - Sucheta Bhattacharjee launched her thoughtfully designed **online music classes from India** to train, mentor, and encourage her students and other aspirants of music in the new COVID world reality. Founder of the pioneering Centre of Excellence in

Indian & Western Music, [in collaboration with the Government of Meghalaya](#), Sucheta Bhattacharjee has a large group of online students. She has trained numerous students from across the world for more than 20 years, most of whom are successful musicians, playback singers, stage performers, and champions of big shows like Zee Saregamapa, Little Champs, Star Voice of India, Colours Sur Kshetra, and others. Her students have also been signed by major music labels in India. She also has a large number of students who are [successful professionals](#) in other fields like doctors, engineers, government officials, corporate professionals and even stay at home men and women.

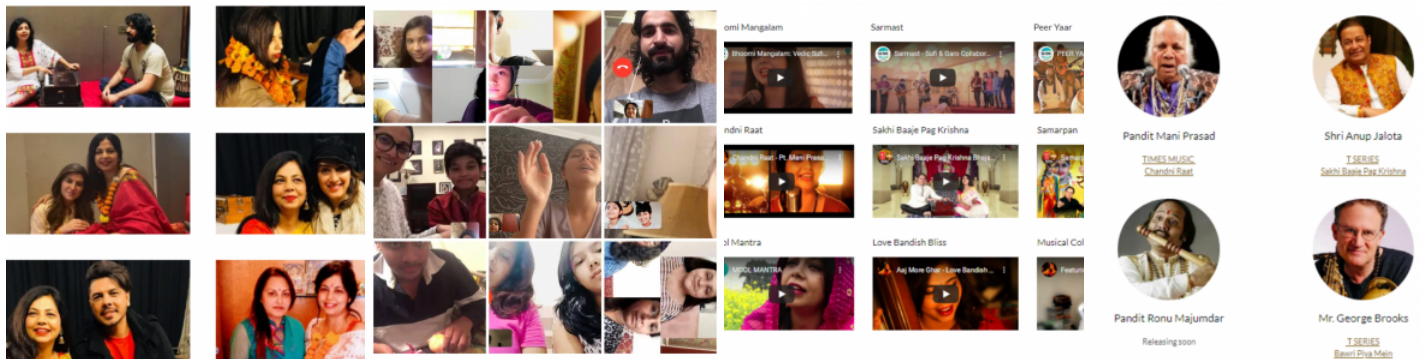

No longer is the COVID pandemic a constraint for her students throughout the world because of the ease of her online classes. Considered as one of the **best music teachers in India**, Sucheta conducts her online music classes on [Indian Classical Music](#), Light Music, Bollywood Playback Singing, and Indian Traditional Music. Sucheta's **Indian music classes** are available to music enthusiasts worldwide. They can easily join the online music classes by registering on her official website <https://suchetabhattacharjee.com>

Her **online singing lessons** are affordable and designed for students so that they don't face any budgetary constraints
