[Alex Grimmer](#) has put his nose to the grindstone and worked hard for many years. Los Angeles is a tough scene to make it in the art industry and Alex Grimmer has already broken through. One of the reasons that Grimmer has been able to make it in the art industry is the quality of the art he puts out. All of his vinyl is handcrafted, and with that, it takes a long time to create. The customization factor in the Deadwax Art collection is unmatched and the attention to detail is to perfection. The process starts with finding something that is damaged, with no perceived value, and then turning it into a beautiful masterpiece. Grimmer's attention to detail and soulful touch is why his art is so highly regarded.

[Alex Grimmer](#) brings diversity to this collection as another one of the qualities that set it apart from other collections. With Grimmer's diverse taste in music himself, he is able to create art of his influences and cater to a majority of customers. Artwork with records has become prominent in the music and art community as a whole. Vintage records are a specialty in Grimmer's artwork and the Deadwax Art collection. The genres you can choose from are endless and you can find something to suit your taste that has vibe and quality.

[Alex Grimmer](#) makes incredible pieces and places them all on his website where you will see what the hype is all about. The handcrafted quality of these pieces is unmatched and Grimmer's attention to detail is endless. The artwork from this collection has been featured in many recording studios and showrooms. It has also been shown at various art exhibits throughout the country and has garnished high praise. Grimmer aims to bring his art to life by having you be taken back to a moment in time when you view one of the art pieces. Grimmer is all about inspiring people through his art and that's where the passion and soul come from.
