

## Diversified Roofing, Commercial and Residential Roofing Contractor in Phoenix Arizona

**Phoenix, Oct 19, 2020 ([IssueWire.com](http://IssueWire.com))** - "Since its inception in 1988, Diversified Roofing Corporation has been a leader and one of the largest roofing specialists in Arizona, with expertise in both the commercial and residential markets. We are proud of our reputation through years of service to homeowners, residential builders and commercial contractors. Our second-generation company was founded on the values of honesty and integrity, and has always strived for the highest quality of product and customer service."

Diversified Roofing Corporation's commercial division provides efficient and quality installation of all commercial roofing systems on new roofs, re-roof applications and repair or replacement solutions. Whether you're in need of small repairs or the complete construction of a new roof, we can design a system specific to your unique needs that can be both cost-effective and energy-efficient.

Diversified Roofing Corporation is also partnered with manufacturers who are on the cutting edge of design and product development. These manufacturers are committed to lasting quality and performance. This ensures a wide selection of tile, foam, metal and flat roofing products for commercial and industrial projects. You will be buying more than just a roof; you will be buying peace of mind, knowing we will be there to service or repair your roof when you need it with the best materials available.

Diversified Roofing Corporation was selected to participate and contribute roofs for two Extreme Makeover homes for ABC TV benefiting the Okvath family in Gilbert and the Yazzi family on the Navajo Reservation in Arizona. Additionally, we have been able to provide roofs for Habitat for Humanity, Christmas in April, the Sojourner Center and the East Valley Boys and Girls Club, and Maggie's Place among others. Our community spirit runs deep to Special Olympics, Boy Scouts, the Arizona Science Center and so many more.
