Get to know General Surgeon Dr. Fred Silvestri, who serves patients in Palm Beach Gardens, Florida.

New York City, Oct 13, 2020 ([IssueWire.com](https://www.issuewire.com)) - With over 25+ years of surgical experience, Dr. Silvestri has extensive training and experience with smart liposuction, aesthetics treatments, and laser treatments. Turning his practice towards cosmetic surgery, he helps patients achieve their minimally invasive liposuction and body sculpting goals at New Radiance Cosmetic Centers - Palm Beach Gardens.

New Radiance Cosmetic Centers includes offices throughout the state of Florida, including Fort Lauderdale, Palm Beach Gardens, Port St. Lucie, and Wellington. The full-service cosmetic centers are dedicated to bringing patients the most complete and advanced selection of cosmetic and aesthetics procedures.

With a broad educational background, Dr. Silvestri is a 1983 graduate of the State University of New York at Downstate — now Brooklyn Health Science Center. He completed his residency in general surgery at the Staten Island Hospital, as well as his fellowship in critical care surgery at The North Shore Hospital in Manhasset, New York. He then went on to complete a Vascular Surgery Program at the Englewood Hospital and Medical Center. A well-respected member of the medical community, he practiced there for over 20 years.

Now affiliated with Jupiter Medical Center, he is board-certified in surgery by the American Board of Surgery, an independent, non-profit organization located in Philadelphia, Pennsylvania, founded for the purpose of certifying surgeons who have met a defined standard of education, training, and knowledge.

A Fellow of the American College of Surgeons (FACS), the doctor is a member of the American Academy of Cosmetic Surgery, the North Jersey Laparoscopic Associates, and the Vascular Society of New Jersey.

After many years of surgical practice, Dr. Silvestri turned his practice towards cosmetic surgery. He moved to Florida in 2012 and joined Dr. Neil Goodman at the New Radiance Cosmetic Centers - Palm Beach Gardens to provide body sculpting services and transform patients to achieve their personal goals.

General surgery is a surgical specialty that focuses on abdominal contents including the esophagus, stomach, small bowel, colon, liver, pancreas, gallbladder, appendix and bile ducts, and often the thyroid gland. A general surgeon performs a wide range of abdominal surgeries for many forms of intestinal and abdominal wall neoplasms, gallbladder disease, gastric and pancreatic disease. They follow the patient through critical care and surgical recovery all the way to outpatient care.
