

Georgia Leake, MD, an Internist with Island Hospital

Get to know Internist Dr. Georgia Leake, who serves patients in Anacortes, Washington.

New York City, Oct 26, 2020 ([IssueWire.com](https://www.issuewire.com)) - Dr. Leake is a respected internist with Island Hospital in Anacortes, Washington. Since 1962, the award-winning hospital has focused on providing the community with the latest in technological advances and medical innovations.

The center of health and wellness in western Skagit County, Island Hospital is proud to offer a wide range of comprehensive services that are sure to fit patients' needs. With over 190 physicians and healthcare providers, health is a top priority.

At the start of her academic career, Dr. Leake graduated with her medical degree from Kansas City University of Medicine and Biosciences. She then went on to complete her residency in internal medicine at Skagit Valley Hospital.

Applying scientific knowledge and clinical expertise to the care of adults, she is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

In order to advance her efforts, Dr. Leake remains a member of several professional organizations, including the American Osteopathic Association and the American Medical Association. She attributes her success to her father's encouragement, her work ethic, and her desire to help people.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
