Get to know Dentist Dr. Holly Votteler, who serves patients in Louisville, Kentucky.

New York City, Oct 6, 2020 ([IssueWire.com](https://www.issuewire.com)) - Dr. Votteler has been serving Jeffersontown and surrounding areas proudly since 1998, providing comprehensive dental services for patients of all ages at First Choice Dental Center. Her philosophy is a balance of tried and true procedures coupled with the advances of the latest technology but never losing focus on the best possible care for her patients.

With a motto “Where grins begin”, First Choice Dental Center provides dental treatments to meet the oral health and aesthetic goals of patients. From general dentistry to cosmetic dental care, Dr. Votteler and her dental team offer the following dental services: cleanings and exams, tooth-colored fillings, gum disease treatment, Zoom! Teeth whitening, same-day crowns, dental implants, wisdom teeth extractions, and root canal treatments.

A Louisville native, Dr. Votteler graduated from the University of Louisville School of Dentistry with her Doctor of Medicine in Dentistry degree. She has over 25 years of experience under her belt, with most of that being in her hometown.

Dedicated to achieving optimum dental health, self-confidence, and a beautiful smile, patients have excellent things to say about her, one stating “I have been seeing Dr. Votteler probably 20 years now and love her dearly. She always makes sure you are comfortable and not in any pain. Even when she says this may hurt a bit, it never does. The staff is amazing. They all feel like family to me. If you are looking for a dentist, you need to give her a try, you will not regret it.”

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.
