Stated by Street Famous soundtrack label owner- Horse Wren. "Now, it is time to contact my friends at FM Radio stations from Radio One, Clear Channel, and Cox Media Group!" Also stated by Horse. After signing the deal with Fast Life entertainment owner, Jullian "Ju Boy" Booth the manager to international artists like Amara La Negra & Pleasure P with even more great talents in his roster. Horse will be signing talents in All music genres for different television film song placements. We want to bring hard hitting beats, music scores, and soundtracks to the masses.

Horse, himself is not an artist at all. But, he is a knowledgeable business man first and foremost entrepreneur that has worked in FM Radio broadcasting and has full knowledge of what a Hit record sounds like! He has successfully conquered all areas of media entertainment. While building a great industry reputation...After filming 2 Ambitious the advice was very detailing on how to run and market a label. Not wanting to just be another label of millions. He decided to create a soundtrack label. The one thing most people do not understand about music labels, is never to create more songs and to just focus on that one hit by pushing it non-stop.
